Date: February 25, 2011

To: The Honorable Board of Acquisition and Contract

From: George N. Longworth  
Commissioner – Sheriff of Public Safety

RE: Resolution authorizing the County of Westchester to enter into intermunicipal agreements with one or more Westchester County municipal corporations for the implementation of the STOP-DWI Patrol/Datamaster Project for a five (5) year period from January 1, 2011 through December 31, 2015.

---

Authority is hereby requested for the County of Westchester, acting by and through the Department of Public Safety Services (“Department”) to enter into intermunicipal agreements (“IMAs”) with one or more Westchester County municipal corporations as defined in Article 5-G of the New York State General Municipal Law for the implementation of the STOP-DWI Patrol/Datamaster Project (“STOP-DWI Program”) which is a concerted DWI law enforcement effort undertaken by local municipalities and their police departments. The IMAs will be for a term commencing January 1, 2011 and continuing through December 31, 2015. On January 31, 2011 the Westchester County Board of Legislators adopted Act No. 13-2011 and authorized the County to enter into these IMAs.

The STOP-DWI Program has successfully initiated and coordinated efforts to reduce the number of alcohol and drug-related traffic injuries and deaths by providing municipalities with enforcement funding, coordinating prosecution efforts, and informing and educating the public as to the legal and social consequences of driving while intoxicated in Westchester County. The goals and objectives of this program are to ensure the continuation of this program’s success. The County has experienced a significant decline in DWI deaths as a result of STOP-DWI projects. The continuation of this program is in the public’s best interest and will promote the safety and general welfare of the public. The Department will monitor these agreements by reviewing the quarterly reports submitted by the municipalities to the

STOP-DWI Office to ensure that all procedures are in compliance with the stipulations set forth in the agreement.

The STOP-DWI Program is funded by the return from the State of New York to the County of DWI-DWAI fines collected in Westchester. For these services each municipality will be paid an amount not to exceed \$8,400.00 per year, which is comprised of: \$6,000.00 per year representing additional overtime and DWI road patrol enforcement, and \$2,400.00 for special patrols only upon written request by the municipality and approval of the County's Director of the STOP-DWI Program. No tax levy monies support the STOP-DWI Program.

Based upon the foregoing, I most respectfully recommend approval of the attached Resolution.
