RE: **RESOLUTION AUTHORIZING THE COUNTY OF WESTCHESTER TO ENTER INTO AN AGREEMENT WITH THE WESTCHESTER COMMUNITY OPPORTUNITY PROGRAM, INC. IN AN AMOUNT NOT TO EXCEED \$87,390 FOR ITS VICTIMS ASSISTANCE SERVICES PROGRAM TO PROVIDE CRISIS INTERVENTION SERVICES TO VICTIMS OF RAPE AND SERVICES TO CHILDREN WHO HAVE BEEN VICTIMS OR WITNESSES TO VIOLENCE FOR THE PERIOD JANUARY 1, 2011 TO DECEMBER 31, 2011, PURSUANT TO AN APPROVED BUDGET**

Authority is sought for the County of Westchester to enter into an agreement with the Westchester Community Opportunity Program, Inc. in an amount not to exceed \$87,390 for its Victims Assistance Services Program to provide crisis intervention services to victims of rape and services to children who have been victims or witnesses to violence for the period January 1, 2011 to December 31, 2011, pursuant to an approved budget. Funding for this program is included in the 2011 County Budget.

The Westchester Community Opportunity Program, Inc., through its Victims Assistance Services Rape Crisis Program, provides supportive casework and counseling services to victims of rape, sexual assault and sexual abuse in Westchester County.

In addition to providing counseling and assistance services to residents of Westchester County who have been victims of rape and child victims who have witnessed violence, the Victims Assistance Services Program provides clinical services to adult survivors of childhood sexual abuse, families of rape victims and special populations including adolescents.

This contract has the public purpose of promoting public safety to residents of Westchester by providing immediate crisis intervention to rape victims as well as services and support to children who witness violence, including domestic violence and sexual assault.

The performance measures are:

- Maintain a 24 hour Rape Crisis Helpline to provide immediate crisis intervention information and referral for 300 victims of rape. During the 2010 contract period, the Helpline served 341 victims.
- Victims Assistance Advocates will reach out to at least 50 rape and sexual assault victims who request assistance for follow-up. During the 2010 contract period advocates provided follow-up to 58 victims.
- VAS Rape Crisis Community Educators will provide training in rape and sexual assault to law enforcement through the Westchester County Police Academy, at least twice a year. During the 2010 contract period Victims Assistance Services conducted 4 training sessions at the Academy.
- VAS Rape Crisis Program will recruit a minimum of 10 volunteer advocates. Throughout 2010, 12 volunteer advocates were recruited and trained.
- Community Educators will provide training to colleges, middle and high schools (target 25). During the previous contract period, 184 workshops were conducted at colleges, middle and high schools.
- VAS will provide education about sexual and intimate partner violence to children and teens (target 1,250). During the 2010 contract period Victims Assistance Services provided these educational services to 2,064 children and teenagers.

The performance measures are tracked and monitored through statistical quarterly reports submitted to the Commissioner of Probation. During 2011 the performance measures will remain as outlined above.

The Rape Crisis Program utilizes volunteers for many services. These volunteers assist with answering hotlines, acting as a hospital advocate, and assisting in evening and/or weekend community event presentations.

This contract impacts the County's 3 critical priority areas in the following manner:

1. Fiscal Responsibility – The Rape Crisis Program provides 24 hour access for rape services. This is accomplished through a coterie of Volunteer Rape Crisis Counselor Advocates who respond to Rape Crisis Helpline calls. The approval of this resolution will give VAS the ability to provide comprehensive services to victims of crime to the Westchester community at a reasonable cost, especially since the program trains and utilizes volunteers, decreasing the burden on taxpayers.

2. Safety and Security – This program serves victims of sexual assault throughout Westchester County. The safety and security of all victims of sexual assault would be increased with the approval of this resolution.
3. Health and Environment – This program provides outreach and prevention to many middle and high schools, colleges and agencies throughout the County. In addition, the program provides counseling and services to residents of Westchester who have been victims who witnessed violence.

This Agreement is exempt from application of the Westchester County Procurement Policy and Procedures pursuant to Section 3(a) viii thereof.

Accordingly, approval of the attached resolution is most respectfully requested.
