FROM: John J. Hsu, P.E.
Commissioner of Public Works and Transportation

DATE: March 30, 2011

SUBJECT: Emergency Resolution to Award Contract No. 11-523
Emergency Repairs to Stream Bank
At Hawley Road
North Salem, New York
Contractor: Landi Contracting, Inc. (WBE)
Amount: \$68,000.00

On March 21, 2011 Commissioner Kathleen O'Connor notified your Honorable Board of an emergency situation involving extensive damage and erosion to the stream bank adjacent to Hawley Road at Mountain Lakes Park.

Due to the severe winter and storms during this past winter season, the stream bank sustained extensive damage and erosion. The park is located in North Salem and due to the steep and rugged topography found there, as well as the large amount of rainfall and snow melt, the stream bank experienced a large volume and high velocity water runoff resulting in the failure of the stream bank.

It is imperative to complete this emergency work immediately in order to reduce the risk of further damage to the adjacent culvert bridge/structure and additional damage downstream to private property.

In accordance with the emergency contracting procedures utilized since April 8, 2002, the Department of Public Works and Transportation immediately prepared documents to solicit bids from responsible general contractors on the County's Emergency Contractor List and requested bids from five (05) contractors on that list. Three (03) contractors attended the site inspection and submitted bids. Landi Contracting, Inc. (WBE), 13 Bradhurst Avenue, Hawthorne, New York 10532 submitted the low bid in the amount of \$68,000.00.

Funds for this project are available in the:

- Capital Budget
 Non-Recurring Budget
 Operating Budget

The objective of this contract is to effect those repairs that are necessary to alleviate the imminent danger to this public street and bridge/culvert structure and to the life, health, safety or property of the County's inhabitants as described in the memorandum filed with your Honorable Board on March 21, 2011.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

Therefore, it is requested that your Honorable Board grant authorization for the Commissioner of Public Works and Transportation to enter into an emergency contract with Landi Contracting, Inc. (**WBE**), 13 Bradhurst Avenue, Hawthorne, New York 10532 for a total cost not-to-exceed \$68,000.00.

This resolution has been reviewed by the Law Department.
