Contract No. **07-201**
Janitorial Services
District Office
100 East First Street
Mount Vernon, New York
Contractor: CTE Cleantech Corp.
Amount: \$264,978.00

On May 31, 2007, your Honorable Board awarded Contract No. 07-201, Janitorial Services, District Office, 100 East First Street, Mount Vernon, New York to CTE Cleantech Corp., 450 Westbury Avenue, Carle Place, New York 11514 (the "Contractor").

The bid documents and contract for Contract No. 07-201 provides the County at its sole option, the right to extend that agreement for up to three (3) additional one (1) year terms. On May 27, 2010 your Honorable Board approved the extension of one (1) additional year. It is in the best interest of the County to exercise the two (2) remaining additional years at this time and thereby extend the term of this contract through May 31, 2013.

Contract No. 07-201 provides that the amount paid to the Contractor during the option periods shall increase or decrease based on the amount of the increase or decrease in the hourly rate of the Living Wage Incentive Rate as compared to the immediately prior Living Incentive Rate. The increase or decrease is to take effect concurrently with the effective date of the increase or decrease in the Living Wage Incentive Rate. Currently, the Living Wage Incentive Rate does not include an additional increase after January 1, 2006. The Contractor's original bid contained the same rate for all three (3) years of the original term. The Contractor has agreed that as long as there is no increase in the current Living Wage Incentive Rate and applicable Prevailing Wage Rate that for the option period it will be paid based on the same hourly rates as contained in its original bid of May 2, 2007.

It is my recommendation that the County exercise the options in Contract No. 07-201 to extend the term of the contract from June 1, 2011 through May 31, 2013 at a total cost not to exceed \$264,978.00.

The objective of this contract is to provide janitorial services daily at the District Office at 100 East First Street, Mount Vernon, New York.

This contract is in the public's best interest because it will promote the health and safety of the general public and staff by providing a clean and sanitary working environment at this facility, thus addressing the County Executive's priority area: Health and the Environment (HE).

This project will provide an environmental benefit because only environmentally preferable cleaning products shall be utilized in this contract in accordance with the provisions of Executive Order 2-2006 and Executive Order 3-2005.

This Department will track the quality of the cleaning by utilizing the detailed cleaning specification in the contract against the actual work done by the Contractor.

This Amendment has been reviewed by the Law Department and a proposed form of resolution is attached hereto for your approval.
