TO: Board of Acquisition and Contract

FROM: John J. Hsu, P.E.
Commissioner of Public Works and Transportation

DATE: April 21, 2011

SUBJECT: Resolution for Authority to Advertise
Contract No. 11-513
Security Improvements
Cerrato Satellite Bus Facility
Valhalla Campus
Valhalla, New York

The 2011 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to install new concrete pavement, guard booth, and sliding gates at the Walker Road entrance to the facility. Also included are modifications to interior traffic flow, installation of a new gate at the parking area entrance and installation of directional spikes at the facility's exit roadway.

The objective of this contract is to improve the integrity of the Cerrato Satellite Bus Facility's security perimeter.

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the Cerrato Satellite Bus Facility meets all standards for facility security, thus addressing the County Executive's priority area: Safety and Security (SS). There are no energy or environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

Payment for this entire contract will be made from Homeland Security Funds, not the County General Fund and will not impact the County tax levy.
