The attached Resolution, if approved by your Honorable Board, would authorize the County of Westchester (the "County") to enter into an agreement (the "Agreement") with the Westchester Arts Council, Inc. ("WAC"), pursuant to which WAC will develop and provide new and expanded cultural activities in the City of Yonkers (the "City"), as well as maintain and expand previously launched cultural activities in the City.

WAC will identify qualifying organizations, issue a request for proposal, manage the selection process, administer funds to the participating organizations, oversee contract compliance and assess their performance. WAC may use subcontractors to assist it in carrying out the work, provided that all subcontractors must be approved in writing by the Chairman of the Board of Legislators, after discussion with the County Executive's office. WAC will ensure that the Agreement provides at least ten (10) new or expanded cultural programs, projects and/or activities in the City and that at least twenty-five thousand (25,000) adults and children will benefit from the art services provided.

The term of this Agreement will be for the period November 1, 2011 to October 31, 2012, in an amount not to exceed Fifty Thousand (\$50,000) Dollars, which will be spent in accordance with an approved budget and payable in two equal installments, the first upon execution of this Agreement and the second installment upon submission of an interim report on April 1, 2012.

The objective of the Agreement is to help the City develop a vibrant cultural life, to attract new businesses and residents to the City's downtown and to support the County's and the City's shared goal of revitalizing the City, the fourth largest city in the State of New York. The success of the Program will be the participation of at least ten (10) new or expanded cultural programs, projects and/or activities in the City and at least twenty-five thousand (25,000) adults and children in the cultural activities provided by WAC and its subcontractors. The Agreement's progress shall be tracked by direct reporting of the results to the County by WAC.

This procurement is exempt from the requirements of the County Procurement Policy and Procedures pursuant to Section 3 (a)(xiii) thereof .

Accordingly, I recommend and urge your Honorable Board's approval of the annexed Resolution.
