RE: **Authority to enter an agreement with the State University of New York (“SUNY”) pursuant to which SUNY will provide Westchester County (the “County”) with a grant in an amount not to exceed \$4,600,000.00 for the first year budget period of July 1, 2011 through June 30, 2012, with a projected aggregate not-to-exceed amount of \$25,500,000.00 to be used by Westchester Community College to fund the operation of its Educational Opportunity Center for a five-year term from July 1, 2011 through June 30, 2016**

The County of Westchester, acting by and through Westchester Community College (the “College”), requests authority to enter into an agreement with SUNY (the “Agreement”), pursuant to which SUNY will provide the College with a grant in an amount not to exceed \$4,600,000.00 for the first year budget period of July 1, 2011 through June 30, 2012, in a projected aggregate not-to-exceed amount of \$25,500,000.00 to be used by the College to fund the operation of its Educational Opportunity Center (“EOC”) for a five year term commencing on July 1, 2011 and continuing through June 30, 2016.

It should be noted that the aggregate not-to-exceed amount of approximately \$25,500,000.00 is an estimation calculated based on the College’s past experience, using a five percent increase per year, as specific annual allocations from SUNY are made on a year-to-year basis.

The goals and objectives of this Agreement are to deliver comprehensive community-based academic and workforce development programs and support services to underserved populations, including public assistance (TANF) recipients, which lead to enhanced employment opportunities, access to further education and personal growth and development through the provision of developmental, academic, vocational training, exposure to college, career readiness training and guidance, job placement assistance and associated programs and supports. This agreement is in the best interests of the County because it will result in an increase in the number of educated, skilled, and competent workers available to meet the current, emerging and future needs of the local labor
