The objective of this contract is to install energy saving upgrades to private housing facilities located in the northern region of Westchester County.

This contract is in the public's best interest because it will provide federally funded energy saving upgrades to private housing facilities throughout Westchester County, thus addressing the County Executive's priority area: Health and the Environment (HE).

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

It is my recommendation that Contract No. 10-234-Rev. be awarded to Caladri Development Corp. in the amount of \$993,850.00.

Payment for this contract will be made from the American Recovery and Reinvestment Act of 2009 (ARRA), not the County General Fund and will not impact the County tax levy.
