Re: Authority for the County of Westchester to renew an agreement with the Southern Westchester Board of Cooperative Educational Services for co-sponsorship of adult and continuing education programs for the period September 1, 2011 through August 31, 2012

By resolution adopted on October 8, 2009 (the "October 8th Resolution"), your Board authorized the County acting by and through the Westchester Community College (the "College") to enter into an agreement ("Agreement") with the Southern Westchester Board of Cooperative Educational Services ("Southern BOCES") whereby the College and the Southern BOCES would develop and implement co-sponsorship of adult and continuing education programs to be offered to the general public, for a term commencing on September 1, 2009 and terminating on August 31, 2010 with the County having the option to renew the Agreement for up to four (4) additional one (1) year terms.

Authority is now requested for the County to exercise its second option to renew the Agreement from September 1, 2011 through August 31, 2012 in an amount not to exceed Two Million Seven Hundred Thirty-Three Thousand Eight Hundred Seventy-Two Dollars (\$2,733,872), pursuant to an approved budget.

The Westchester Community College has statutory authority to enter this Agreement pursuant to New York State Education Law section 6306(7), which states "Subject to the approval of the local sponsor . . . the board of trustees of each community college may enter into any contract or agreement deemed necessary or appropriate for the effective operation of the college. . .". Accordingly, approval of the Board of Legislators under GML Section 119-o is not required.

Pursuant to the terms of the Agreement, the College will furnish administrative and financial support and the Southern BOCES will furnish registration services, course announcements, teaching and other personnel together with classroom space, tuition

collection and deposit services and on-site management services for the co-sponsored programs.

This Agreement is exempt from the Westchester County procurement policy pursuant to Section 3(a)(iii) thereof.

Except as specifically amended hereby, all remaining terms and conditions set forth in the Agreement shall remain unchanged.

This contract will enable the College to continue its mission of providing life long learning for the residents of Westchester County. The contract performance is monitored by the College Office of Institutional Research to ensure that contractual obligations are met by Southern BOCES.

Accordingly, I recommend the adoption of the attached resolution.
