Date: March 1, 2012

To: Honorable Members of the Board of Acquisition & Contract

From: Hon. Kenneth W. Jenkins
Chairman, Westchester County Board of Legislators

Re: Resolution to exempt from the Westchester County Procurement Policy an Agreement with the Volunteer Service Bureau of Westchester, Inc. d/b/a The Volunteer Center of United Way (the "Volunteer Center") pursuant to which the Volunteer Center will conduct both a program to encourage volunteerism, known as "Mobilizing More Volunteers," and a program to assist local not-for-profits in handling additional volunteers, known as "Building the Capacity of Local Nonprofits," pursuant to Section 3(a)xxi of the Westchester County Procurement Policy and Procedures

Authority is hereby requested from your Honorable Board to exempt from the Westchester County Procurement Policy a contract with the Volunteer Service Bureau of Westchester, Inc. d/b/a The Volunteer Center of United Way (the "Volunteer Center") pursuant to which the Volunteer Center will conduct both a program to encourage volunteerism, known as "Mobilizing More Volunteers," and a program to assist local not-for-profits in handling additional volunteers, known as "Building the Capacity of Local Nonprofits" (the "Agreement"). The term of the Agreement will commence April 1, 2012 and continue through March 31, 2013. In consideration for services to be rendered, the County will pay the Volunteer Center a sum not to exceed \$52,000.00, payable one half upon execution of the contract and the balance upon receipt of a final report which is due thirty days after completion of the contract.

The Volunteer Center has a high level of expertise in both successfully encouraging volunteerism and educating organizations about how to handle additional volunteers. In addition, its pre-existing network of prospective volunteers and organizations that are interested in recruiting volunteers will help the Volunteer Center meet the goals of the "Mobilizing More Volunteers" and "Building the Capacity of Local Nonprofits" programs more expeditiously than another contractor likely could. Moreover, the Volunteer Center has previously satisfactorily provided these types of services to Westchester County.

Pursuant to Section 3(a)xxi, the Westchester County Procurement Policy and Procedures are not applicable to any procurement for which this Honorable Board determines, by resolution passed prior to

commencing such procurement, that compliance with the policy would not be in the best interests of the County. Given the Volunteer Center's experience, capabilities, and past work for Westchester County, it is proposed that the best interests of the County would be served by exempting the procurement of this agreement from the County Procurement Policy. Accordingly, a resolution to exempt the procurement with the Volunteer Center is hereby submitted for your consideration.
