Contract No. **10-558**
Exhaust System Upgrade
134 Court Street
White Plains, New York

The 2012 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to furnish and install new rooftop exhaust and filter equipment along with installation of interior ductwork and related ceiling modifications.

The objective of this contract is to create two (2) negative air pressure exam rooms in the Department of Health's White Plains District Office.

This contract is in the public's best interest because it will promote the health and safety of the general public by providing New York State Department of Health approved negative air pressure exam rooms, thus addressing the County Executive's priority area: Health and the Environment (HE).

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
