Re: Resolution to exempt from the Westchester County Procurement Policy an Agreement with Nunataks, Ltd. d/b/a The Greenburgh Nature Center (the "Nature Center") pursuant to which the Nature Center will provide its "Love 'Em & Leave 'Em Campaign" initiative which promotes onsite organic waste management within the County of Westchester pursuant to Section 3(a)xxi of the Westchester County Procurement Policy and Procedures

Authority is hereby requested from your Honorable Board to exempt from the Westchester County Procurement Policy a contract with Nunataks, Ltd. d/b/a The Greenburgh Nature Center (the "Nature Center") pursuant to which the Nature Center will provide its "Love 'Em & Leave 'Em Campaign" initiative which promotes onsite organic waste management within the County of Westchester (the "Agreement"). The term of the Agreement will commence January 1, 2012 and continue through December 31, 2012. In consideration for services to be rendered, the County will pay the Nature Center a sum not to exceed \$20,000.00, payable one half upon execution of the contract and the balance upon receipt of a final report which is due thirty days after completion of the contract.

The Nature Center has 37 years of experience in promoting nature education. They have developed expertise in an array of seasonal and year round environmental education programs. The Nature Center has collaborated with Westchester County Department of Parks and the Town of Greenburgh to provide environmental forums, public programs, nature and education programs. In addition, they have the existing infrastructure to support on-site consulting for municipalities, private property owners, and landscape contractors.

Pursuant to Section 3(a)xxi, the Westchester County Procurement Policy and Procedures are not applicable to any procurement for which this Honorable Board determines, by resolution passed prior to commencing such procurement, that compliance with the policy would not be in the best interests of the County. Given the Nature Center's experience, capabilities, and past work for Westchester County, it is proposed that the best interests of the County would be served by exempting the procurement of this agreement from the County Procurement Policy. Accordingly, a resolution to exempt the procurement with the Nature Center is hereby submitted for your consideration.
