SUBJECT: Amending a resolution adopted on December 9, 2010 and subsequently amended on December 22, 2011, March 8, 2012 and June 7, 2012 which authorized the County to enter into agreements with 187 agencies to provide day care services for households eligible for child day care subsidies through the New York State Child Care Block Grant, Title XX, for the term commencing January 1, 2011 and continuing indefinitely until terminated by either party, in order to authorize the County to enter into agreement with one additional agency.

By resolution adopted on December 9, 2010, your Honorable Board authorized the County to enter into agreements with one hundred seventy-one (171) licensed child care centers, licensed family group programs and registered school-age programs for the provision of child care services to Title XX eligible families as well as low income eligible households for the term January 1, 2011 and continuing indefinitely until terminated by either party (the "Resolution"), payable pursuant to an approved budget and at rates not to exceed the authorized maximum rates set by the Office of Children and Family Services. These contracts were subsequently executed. By resolutions adopted on December 22, 2011, March 8, 2012, and on June 7, 2012, your Honorable Board authorized the County to amend the Resolution adopted on December 9, 2010 in order to enter into agreements with sixteen (16) more licensed child care centers, licensed family group programs and registered school-age programs for the provision of child care services to Title XX eligible families as well as low income eligible households.

Authority is now requested to further amend the Resolution adopted on December 9, 2010 as amended on December 22, 2011, March 8, 2012 and on June 7, 2012 in order to authorize the County to enter into agreement with one (1) new agency listed below for the term commencing upon execution and extending indefinitely until terminated by either party upon 30 days prior written notice to the other party. This amendment is necessary due to an increase in the number of licensed providers available and the increased number of eligible children entering the program.
