Commissioner of Public Works and Transportation

**DATE:** July 9, 2012

**SUBJECT:** Resolution for Authority to Advertise  
Contract No. 12-233  
New Perimeter Concrete Flood Wall  
Weaver Street Pump Station  
Mamaroneck, New York

The 2012 Non-Recurring Account contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to install new concrete flood walls along with asphalt and fencing repairs.

The objective of this contract is to provide a new flood wall around the below grade Weaver Street Pump Station to protect the station's electronic systems.

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the pump station's operations meet all safety regulations, thus addressing the County Executive's priority area: Safety and Security (SS). There are no energy or environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
