FROM: Jay T. Pisco, P.E.
 Commissioner of Public Works and Transportation

DATE: July 17, 2012

SUBJECT: Authority to enter into agreements with the listed municipalities to transfer certain paratransit buses pursuant to the lottery held on June 15, 2012 in accordance with Section 131.41 of the Laws of Westchester County

As your Honorable Board is aware, pursuant to Section 131.41 of the Laws of Westchester County, the County of Westchester (the “County”) is authorized to hold a lottery offering surplus or obsolete paratransit/shuttle type buses (“Paratransit Bus(es)”) to Westchester County “municipalities,” including cities, towns, villages, boards of cooperative educational services, fire districts, and school districts, for use in conjunction with various local or regional programs that benefit Westchester County residents.

To be considered for the lottery, interested municipalities were required to submit an application stating both the need for the Paratransit Bus and the way in which it would be used to benefit the citizens of Westchester County. The municipality also needed to indicate in its application that, upon winning the lottery, it would enter into an agreement with the County, among other things, certifying that it would comply with any restrictions imposed by federal or state funding and hold the County harmless in connection therewith.

The lottery was held on June 15, 2012. The following municipalities were successful in their bid to obtain the Paratransit Bus noted:

Municipality/Agency	Year	Make	VIN #
Sleepy Hollow PD	2005	Ford E350	1FDSE35P55HB13318
Village of Pelham	2006	Ford E350	1FDSE35P46DB09995
Yorktown Fire District	2006	Ford E350	1FDSE35P56DB10007
Town of Yorktown	2006	Ford E350	1FDSE35P96DA92059
Elmsford UFSD	2006	Ford E350	1FDSE35P76DA92058

Authority is requested to enter into agreements with the listed municipalities to transfer ownership of the noted Paratransit Bus(es). The agreement will provide that for the sum of One (\$1.00) Dollar, the Paratransit Bus(es) are being transferred by the County in "AS IS" condition, that the County makes no representations, guarantees, or warranties, that the municipality commits to using the Paratransit Bus(es) for purposes that benefit the citizens of Westchester County, and if applicable that the municipality will comply with any restrictions imposed by federal or state funding and hold the County harmless in connection therewith.

The goals and objectives of this lottery program are to ensure that the municipalities will be able to use and operate the Paratransit Bus(es) to benefit the citizens of Westchester County. Such public purposes include for example: transportation for senior citizens in connection with community senior center activities; transportation for public housing programs; meals on wheels programs; youth bureau programs; social welfare programs; child care programs; and health care transportation needs.

The proposed agreements are in the public's best interest and will promote the safety and general welfare of the public by offering transportation for those in need. In addition, the proposed agreements will be a valuable asset to many municipalities that could not otherwise afford to purchase a new or even used vehicle. The Department of Public Works and Transportation will monitor the transfer of each Paratransit Bus to ensure compliance with the terms of the agreement.
