DATE: July 2, 2012

TO: Board of Acquisition and Contract

FROM: Kevin McGuire
Commissioner of Social Services

SUBJECT: Authority to enter into an Agreement with the U.S. Department of Housing and Urban Development (HUD) to accept a grant in the amount of \$48,530 to be used to implement a supportive housing program for the period September 1, 2012 through August 31, 2013.

Authority is hereby requested for the County of Westchester, acting by and through its Department of Social Services, to enter into an agreement with the U.S. Department of Housing and Urban Development (HUD) to accept a grant in the amount of \$48,530 to be used to implement a supportive housing program to help pay rental expenses for housing homeless youths transitioning out of foster care for the period September 1, 2012 through August 31, 2013.

The program to be operated pursuant to this agreement serves a **public purpose** by providing adequate housing for youth during their transition from foster care into the adult community.

The **goals and objectives** of the aforesaid agreement are to implement a supportive housing program to help homeless youth transitioning out of foster care to obtain adequate housing, thus helping them avoid a life of dependency on social services and develop the skills and behaviors necessary to increase their chances at moving toward self-sufficiency.

The goals and objectives are in the **best interests of the County** in terms of **public health and safety** as they are aimed at ensuring the well being and safety of the targeted population. The goals and objectives are also in the **best interests of the County** in terms of **fiscal responsibility** as they are addressing the issues of homelessness and welfare

dependency in the County. The results of successful engagement and program participation reduce the burden on the County in terms of long term social expenses (for the individual and his or her family) and crime/judicial costs.

The **goals and objectives will be monitored** by HUD and the Department. All HUD contracts are required to submit Annual Progress Reports as a requirement to receive funding. These multi-page reports capture statistical data on those served, the various categories they fall into, the milestones reached, the money expended, etc, which must match the program outlined in the Technical Submission.

The proposed agreement does not constitute a procurement and as such the provisions of the Westchester County Procurement Policy do not apply.

Accordingly, authority is hereby requested for the County of Westchester, acting by and through its Department of Social Services, to enter into the aforesaid agreement for the purposes stated above.

A resolution requesting the same is attached for your Honorable Board's approval.

I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the "Grant Terms"), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.

RESOLUTION

Upon a communication from the Commissioner of the Department of Social Services, be it hereby

RESOLVED, that the County of Westchester, acting by and through its Department of Social Services, is hereby authorized to enter into an Agreement with the U.S. Department of Housing and Urban Development (“HUD”) to accept a grant in the amount of \$48,530 to be used to implement a supportive housing program to pay rental expenses for housing homeless youths transitioning out of foster care for the period September 1, 2012 through August 31, 2013; and be it further
