SUBJECT: Resolution for Authority to Advertise
Contract No. 12-520
Hydraulic Lift Improvements
Central Maintenance Facility
Yonkers, New York

The 2012 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to replace and upgrade hydraulic lift components. Also included are modifications to the lifts' electrical supply and control systems.

The objective of this contract is to refurbish the existing bus maintenance bay lifts.

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the Central Maintenance Facility can continue to safely maintain the County's bus fleet, thus addressing the County Executive's priority area: Safety and Security (SS). There are no energy or environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

Payment for a portion of this contract will be made from American Recovery and Reinvestment Act of 2009 (ARRA) funds, not the County General Fund and will not impact the County tax levy.
