Commissioner of Public Works and Transportation

DATE: October 1, 2012

SUBJECT: Resolution for Authority to Advertise
Contract No. 12-505
Lighthouse Restoration
Tarrytown, New York

The 2012 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to repair structural elements including the lighthouse's cast iron exterior cladding and internal framing along with foundation repairs. The project also includes installation of new windows and lightning protection system and restoration of interior finishes and electrical systems.

The objective of this contract is to restore the historic Tarrytown Lighthouse.

This contract is in the public's best interest because it will restore the existing lighthouse's structural integrity along with extending the life of the existing facility, thus addressing the County Executive's priority area: Safety and Security (SS). There are no energy or environmental components in this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
