SUBJECT: Resolution authorizing an agreement between the County of Westchester and the Housing Action Council its designee or assigns to provide funds through the New York State Affordable Housing Corporation's Affordable Homeownership Development Program for a portion of rehabilitation costs and closing costs for one affordable affirmatively further fair housing (AFFH) homeownership unit at 230 Westchester Avenue in the Village of Buchanan

The attached resolution authorizes the County of Westchester to enter into an agreement with the Housing Action Council, its designee or assigns, (the "Developer") to provide grant funds through the New York State Affordable Housing Corporation's Affordable Homeownership Development Program. The grant will be used for a portion of rehabilitation costs and closing costs for the purpose of creating one affordable AFFH homeownership unit at 230 Westchester Avenue in the Village of Buchanan. The agreement shall have a two year term commencing upon execution, and the total amount of the grant is \$40,000.00 to be paid pursuant to an approved budget.

Pursuant to the Stipulation and Order of Settlement and Dismissal entered into in connection with a lawsuit titled U.S. ex rel. Anti-Discrimination Center vs. Westchester (the "Settlement Agreement"), the County is required to ensure the development of 750 units of affordable AFFH Units. In furtherance of these objectives, the County provides funding to assist in the acquisition and rehabilitation of properties for the creation of affordable AFFH housing units. The rehabilitation of this property will create one three-bedroom affordable AFFH Unit. The AFFH Unit will be affordable to eligible homebuyers with incomes at or below 80% of the County Area Median Income as established by the U.S. Department of Housing and Urban Development who have been selected pursuant to an approved Affirmative Fair Housing Marketing Plan. The period of affordability is 50 years.

The goal and objective of this agreement is to carry out the County's obligations under the Settlement Agreement by supporting the creation of affordable AFFH units in accordance with the terms of said Settlement Agreement. In addition, the agreement will serve the public purpose of providing a home ownership opportunity for a lower and moderate income family who may not otherwise be able to afford to purchase a home in Westchester County, which is safe, secure and energy efficient. It will also enhance the neighborhood through its design and landscaping. Department of Planning staff will monitor and track rehabilitation of the unit, as well as monitor compliance with the affordability requirements.

On April 1, 2011, the Board of Acquisition and Contract approved a resolution authorizing the County of Westchester to enter into an agreement with the New York State Affordable Housing Corporation to accept a grant totaling \$800,000.00 to provide funding for the acquisition and rehabilitation of properties in certain municipalities in the County.

I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the "Grant Terms"), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.

I recommend approval of this agreement.
