TO: Honorable Members of the Board of Acquisition and Contract

FROM: Diane G. Balistreri
Coordinator, Office for Women

DATE: January 29, 2013

SUBJECT: Authority to enter into an agreement with YWCA of White Plains and Central Westchester, Inc. to provide child care in the Richard A. Daronco Court House in White Plains for an amount not-to-exceed \$139,515 for the period January 1, 2013 to December 31, 2015

The attached Resolution, if approved by your Honorable Board, would authorize the County of Westchester (the "County") to enter into an agreement (the "Agreement") with the YWCA of White Plains and Central Westchester, Inc. (the "YWCA"), to provide child care in the Richard A. Daronco Court House in White Plains, for the period January 1, 2013 to December 31, 2015, for an amount not-to-exceed One Hundred Thirty-Nine Thousand Five Hundred Fifteen Dollars (\$139,515), to be paid quarterly pursuant to an approved budget. The funding amount per year will not exceed Forty-Six Thousand Five Hundred Five Dollars (\$46,505). The YWCA's Children's Center will serve the child care needs of persons accessing the Richard A. Daronco Court House.

The YWCA has been providing child care in the Richard A. Daronco Court House in White Plains since 1999 and has satisfactorily carried out its responsibilities under these contracts.

The proposed Agreement will serve a public purpose by offering parents a safe, child-friendly atmosphere to leave their child/children while family law matters are litigated. The purpose is to relieve trauma children may experience from exposure to inappropriate information. Referrals are also provided to families who require additional services.

The goals and objectives of the proposed Agreement are for the YWCA to serve approximately 1,450 children, as it had done during the previous contract term.

The goals and objectives of the proposed agreement will be tracked and monitored by the Westchester County Office for Women, which will be responsible for monitoring the YWCA's performance under this Agreement by means of site visits, as well as their monthly statistics.

The effectiveness of this program will be determined by referral and follow-up for families accessing the child care center. Such services may include assistance with child custody, child support, domestic violence, employment/training, legal issues and health services. The YWCA expects to maintain contact with at least 35% of families each year to verify whether or not they have received the services needed as a result of the information and referrals which were provided. During the previous contract term, over 250 referrals were provided to families.

This agreement is exempt from the Westchester County Procurement Policy Section 3 (a) (xviii), which exempts contracts for the “advancement of the moral, physical, mental and social well being of the youth of Westchester County”.

Accordingly, I recommend approval of the attached Resolution.

APPROVED BOARD OF ACQUISITION & CONTRACT - 02/21/2013 - JUMPY WILKINS, SECRETARY

Goals for Work Plan:

The YWCA Children's Center at Daronco Courthouse provides care for children whose parents/guardians/caregivers are in court.

The Children's Center is open during court business hours from 9AM to 5PM Monday through Friday. Children from 6 weeks through 12 years may be left at the Center while their caregivers are in court.

The Center plans to serve 1,450 children annually. Attendance reflects the activity of the court.

The program is designed to meet the needs of the children attending. Materials are available that are appropriate for all age levels. Materials include a computer with child appropriate programs, art supplies, games, and building toys. Literacy is promoted through the daily program goals. Children are read to and books are available for their use.

Referrals are made to the community agencies as needed. The site supervisor and her assistant regularly help families to connect to Early Intervention, Head Start, WIC, Family Health Plus, shelters, and other services. A referral report is maintained to document the referrals. Each year, we plan to make approximately 200 referrals and expect to follow up with 35% of the families referred for services.
