Re: Resolution authorizing the County of Westchester to enter into an agreement with Thompson & Bender, LLC, for the provision of public relations and creative services, for a one (1) year term commencing January 1, 2013 and terminating December 31, 2013, for a total amount not-to exceed Two Hundred Thousand Dollars (\$200,000.00), payable pursuant to an approved budget and subject to County appropriations

Transmitted herewith is a resolution which, if approved by your Honorable Board, will authorize the County of Westchester (the "County") to enter into an agreement with Thompson & Bender, LLC ("Thompson & Bender"), for the provision of public relations and creative services, for a one (1) year period commencing January 1, 2013 and terminating December 31, 2013. In consideration for services rendered, the County will pay Thompson & Bender an amount not to exceed Two Hundred Thousand Dollars (\$200,000.00), payable pursuant to an approved budget and subject to County appropriations.

Authority to exempt this Agreement from the requirements of the Westchester County Procurement Policy and Procedures pursuant to Section 3(a)xxi thereof has been requested by your Honorable Board in accordance with a separate resolution of even date herewith.

Pursuant to the terms of the proposed agreement, Thompson & Bender will serve as the County's non-exclusive, full service public relations and creative agency to promote Westchester County Tourism & Film, including but not limited to serving as point of contact for media inquiries, developing an ongoing public relations strategy and expanding the County's new tourism branding campaign, "Meet Me In Westchester". In addition, Thompson & Bender will produce and distribute press materials, monthly consumer newsletter, quarterly travel industry newsletter, fact sheets, talking points collateral materials for tradeshow booths and any other special materials requested by the Office for Tourism. Furthermore, pursuant to the terms of the proposed agreement, Thompson and Bender will also work in conjunction with the Office for

Tourism and its key partners including local, community and state partners to continue and expand the Office for Tourism's outreach and communications including Hudson Valley Tourism and I Love NY to gain additional visibility and to develop cross promotional opportunities. Once created, the creative services, including all ads, logs and slogans, will become the full property of the County.

This proposed agreement will serve a public purpose by promoting tourism in the County, thereby stimulating the local economy by bringing both leisure and business visitors into the County to patronize our local attractions, hotels, and restaurants. The goals and objectives of this proposed agreement will be to promote the County as a tourist and business destination. The goals and objectives are in the best interests of the County in terms of fiscal responsibility because the advertising campaign will increase tourism in the County and bring more tourist dollars into the local economy. The goals and objectives will be tracked and monitored by the number of inquiries to the Office of Tourism, the number of clicks on websites, brochure distribution, and the number of leads.

Accordingly, your favorable action on the annexed Resolution is most respectfully urged and recommended.
