Contract No. 13-529
South Boardwalk Repair – Phase II
Playland Park
Rye, New York

The 2013 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to repair decking, railings, substructure and electrical systems at the South Boardwalk.

The objective of this contract is to maintain the structural stability of the South Boardwalk.

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the South Boardwalk meets current codes and standards as well as reducing the County's annual maintenance costs, thus addressing the County Executive's priority area: Safety and Security (SS). There are no energy or environmental components associated with this project.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
