TO: Board of Acquisition and Contract

FROM: Jay T. Pisco, PE
Commissioner of Public Works and Transportation

DATE: October 8, 2013

SUBJECT: First Amendment (of a Multi-Phased Agreement) to Agreement No. 12-901
In the matter of Engineering Services in connection with the Rehabilitation of Taxiway "A",
Phase I – Construction Administration, Westchester County Airport,
Towns of Harrison and North Castle and Village of Rye Brook, New York

Consultant: AECOM USA, Inc.
Amendment Amount: \$322,358.00

Authority of your Honorable Board is requested to amend the existing Agreement between the County of Westchester and AECOM USA, Inc., 605 Third Avenue, 27th Floor, New York, New York 10158. The original Agreement dated October 9, 2012, was for Phase I – Engineering Design Services in connection with the Rehabilitation of Taxiway "A" at the Westchester County Airport, Towns of Harrison and North Castle and Village of Rye Brook, New York.

It is requested that the existing Agreement be amended to provide for engineering services in connection with the Rehabilitation of Taxiway "A" at the Westchester County Airport. The consultant shall provide Phase I – Construction Administration Services associated with this project. For construction administration services, the consultant shall monitor the construction procedures on the site to ensure compliance with the contract documents, coordinate scheduled activities of the contractors, submit construction progress reports and review and process contractors' applications for payment.

The objective of this project is to rehabilitate Taxiway "A" at the Westchester County Airport. The work shall include milling existing pavement, asphalt resurfacing, drainage improvements, new pavement markings, and the replacement of existing lighted signage, taxiway lights and associated lighting equipment. These improvements will ensure compliance with Federal Aviation Administration (FAA) and Transportation Security Administration (TSA) requirements. This project will implement the most cost-effective and environmentally compliant technologies available, including energy efficient LED lighting, which will provide long-term energy conservation. This agreement will benefit the public as it will improve the condition of Taxiway "A", thereby providing an enhanced traveling experience for Airport passengers.

The original intent of this Agreement was to have the design and construction administration performed in multiple phases as subsequent funding became available. The initial design phase defined the scope of work and the required budget for the subsequent phases of design and construction administration, for which funding has been approved. It should be noted that this Resolution seeks approval of Phase I – Construction Administration only.

The engineering discipline encompassed in this Amendment is not new, but rather, it is an integral part of the project that involves the same degree of skill, experience and complexity as the expertise generally described in the original project. Accordingly, this type of engineering discipline was originally contemplated in the Professional Prequalification Board and Professional Selection Board process.

Board of Acquisition and Contract
Agreement No. 12-901, First Amendment
Rehabilitation of Taxiway "A" at the Westchester County Airport
AECOM USA, Inc.
Page 2

The fee for the above services is for an amount of \$322,358.00 pursuant to an approved budget, bringing the total Agreement plus Amendment to \$688,169.00. The completion date of the Agreement shall remain December 31, 2016.

Payment for this contract will be made from the Airport Special Revenue Fund, not the County General Fund and will not impact the County tax levy.

Proposed form of Resolution to accomplish the foregoing is attached hereto.

RESOLUTION

Upon communication from the Commissioner of Public Works and Transportation, be it hereby

RESOLVED, that the existing Agreement between the County of Westchester and AECOM USA, Inc., 605 Third Avenue, 27th Floor, New York, New York 10158, be amended to provide for engineering services in connection with the Rehabilitation of Taxiway "A", Westchester County Airport, Towns of Harrison and North Castle and Village of Rye Brook, New York. The consultant shall provide Phase I – Construction Administration Services associated with this project. For construction administration services, the consultant shall monitor the construction procedures on the site to ensure compliance with the contract documents, coordinate scheduled activities of the contractors, submit construction progress reports and review and process contractors' applications for payment; and be it further

RESOLVED, that for the additional services rendered in accordance with the consultant's proposal for the current phase of this multi-phase project, AECOM USA, Inc., shall be paid a fee of \$322,358.00 pursuant to an approved budget, increasing the total maximum fee to \$688,169.00; and be it further

RESOLVED, that all other provisions of the existing Agreement shall remain in full force and effect; and be it further

RESOLVED, that the County Executive or his duly authorized designee is hereby authorized and empowered to execute any and all documents necessary or appropriate to effectuate the purposes hereof.
