TO: Board of Acquisition and Contract

FROM: Jay T. Pisco, PE
Commissioner, Department of Public Works and Transportation

DATE: January 14, 2014

SUBJECT: Authorization to extend the term of Agreement No. 10-914 with
Cameron Engineering & Associates, LLP until December 31, 2016

Authority of your Honorable Board is requested to extend the term of Agreement No. 10-914 between the County of Westchester and Cameron Engineering & Associates, LLP, 100 Sunnyside Boulevard, Suite 100, Woodbury, New York 11797, for the provision of engineering services associated with the Relocation of Hastings Forcemain, North Yonkers Sewer District, Hastings-on-Hudson, New York, until December 31, 2016. The original Agreement was executed on July 19, 2010 and is for a total amount not to exceed \$89,200.00. The original Agreement completion date was December 31, 2013.

The County has been satisfied with the quality of services provided to date. However, due to delays with construction bonding and required easements and agreements from Metro-North Railroad, the Village of Hastings-on-Hudson and ARCO, including hazardous waste remediation, the overall project completion has been delayed. Therefore, the professional services of Cameron Engineering & Associates, LLP will be required beyond the original completion date. Attached is a Resolution requesting an extension of the agreement until December 31, 2016 with no increase in the not to exceed amount of \$89,200.00.

The objective of this project is to relocate a County-owned forcemain in the Village of Hastings-on-Hudson. Approximately five hundred forty-five (545) linear feet of the eight (8) inch forcemain must be relocated west of its present location. The forcemain must be relocated because Metro-North Railroad has expanded the Hastings-on-Hudson station platform which has impeded access to the forcemain. Without the relocation, the Department of Environmental Facilities cannot access the forcemain to perform repairs or maintenance. Thus, in the event of a break or other emergency, sewage may be allowed to flow directly into the nearby Hudson River. This work is necessary to provide improved sanitary facilities that are in compliance with all applicable regulations.

The department will track scheduling and accomplishments by the consultant and perform on-site inspections to ensure the successful completion of tasks. It is recognized and understood that the County shall evaluate the performance of this contract by the consultant and shall use such evaluation in deciding to award future contracts to the consultant.

I urge your favorable consideration of the annexed proposed Resolution.

RESOLUTION

Upon a written communication from the Commissioner of Public Works and Transportation, be it hereby

RESOLVED, that the County of Westchester, acting by and through its Department of Public Works and Transportation, ("County") be and is hereby authorized to amend Agreement No. 10-914 with Cameron Engineering & Associates, LLP, 100 Sunnyside Boulevard, Suite 100, Woodbury, New York 11797 for the provision of engineering services in connection with the Relocation of Hastings Forcemain, North Yonkers Sewer District, Hastings-on-Hudson, New York by extending the term until December 31, 2016; and be it further
