FROM: Kevin M. McGuire
Commissioner, Department of Social Services

SUBJECT: Resolution authorizing the County of Westchester to amend an agreement with **Interfaith Council for Action, Inc., (IFCA)** for the purpose of operating scattered site transitional housing units and providing case management and supportive services to families transitioning to permanent housing for the period January 1, 2013 through December 31, 2013 for an amount not to exceed \$832,560 by: 1) increasing the not to exceed amount by \$416,280, from a total not to exceed amount of \$832,560 to a new total not to exceed amount of \$1,248,840 to be paid pursuant to an approved budget and subject to appropriations, and 2) changing the end date of the contract from December 31, 2013 to June 30, 2014.

On or about December 19, 2013, Westchester County entered into an Agreement with Interfaith Council for Action, Inc., (IFCA) for the purpose of operating scattered site transitional housing units and providing case management and supportive services to families transitioning from homelessness to permanent housing for the period January 1, 2013 through December 31, 2013 for an amount not to exceed \$832,560 to be paid on a monthly basis pursuant to an approved budget and subject to appropriation. The agreement was subsequently executed.

On or about September 27, 2013 the department issued an RFP soliciting proposals from vendors for the operation of the County's Emergency Housing program. Vendors responded and sent in their proposals. However, since that time the County has received the budget and the approval for the restructuring of its entire temporary housing assistance program. New program parameters will be developed and a new RFP will be issued for distribution in April, 2014. In the meantime, the extension requested is required in order to provide continued services to the

targeted population until a new vendor is selected. The requested increase in funds is associated with the cost of providing services during the extended term.

Authority is now requested for the County of Westchester, acting by and through the Department of Social Services, to amend the Agreement with Interfaith Council for Action, Inc. for the provision of the operation of scattered site transitional housing units along with case management and supportive services to families transitioning to permanent housing for the period January 1, 2013 through December 31, 2013 for an amount not to exceed \$832,560 by: 1) increasing the not to exceed amount by \$416,280, from a total not to exceed amount of \$832,560 to a new total not to exceed amount of \$1,248,840 to be paid pursuant to an approved budget and subject to appropriations; and 2) changing the end date of the contract from December 31, 2013 to June 30, 2014.

The **public purpose** of the program is to assist the County's homeless population in transition from shelter placement back into the community. This program offers supportive services and tools designed to assist in a successful transition from welfare to self-sufficiency and promote economic independence.

The **goals and objectives** of the program are to provide emergency scattered site apartments for a minimum of twenty-three (23) homeless families transitioning to permanent housing. The program also supplies supportive services to include, but not limited to, advocacy with community systems such as courts, hospitals and schools; employment referrals, crisis intervention and discharge planning. In addition, the program offers referrals to community service providers for substance abuse counseling, domestic violence advocacy and childcare services. Educational case management for school age children, follow up contacts with referral sources, meetings and telephone contacts with service agencies are also provided.

The goals and objectives of this program are in **the best interests of the County in terms of public health and public safety** as they are aimed at ensuring the health and safety of the targeted population by providing immediate transitional housing. This program creates a safe haven for the targeted population thereby reducing the risk of them becoming victims of crime and developing general health related issues that result from not having appropriate shelter.

The goals and objectives are in the County's **best interests in terms of fiscal responsibility** as the services provided assist the targeted population in finding permanent housing thereby eliminating the cost associated with providing emergency housing. Additionally, program participants, through referrals to employment services, may become gainfully employed, thereby reducing their dependency on public assistance.

The goals and objectives will be tracked and monitored through performance measurement indicators developed by the Department and approved by the County Budget Office. The tracking and monitoring include the submission of monthly statistics and quarterly reports as well as direct contact with the D.S.S. staff in order to swiftly address any impediments to the program's success.

The **Department is able to report that through 9/30/13, the program operated at 100% contract capacity.** The program has served thirty (33) families and succeeded in securing permanent housing for 13 families. The average length of stay was 259 days.

Except as specifically amended hereby, all other terms and conditions of the original agreement shall remain the same.

Accordingly, the County of Westchester is seeking authority from your Honorable Board to amend an agreement with Interfaith Council for Action, Inc., (IFCA) for the aforesaid purpose.

A resolution requesting the same is attached for your Honorable Board's approval.
