Re: **Authority for the County of Westchester, acting by and through its Department of Public Works and Transportation (the "Department"), to execute an agreement consenting to the assignment of Agreement No. 10-923 with GHD Consulting Engineers, LLC to GHD Consulting Services Inc.**

Pursuant to a Resolution approved on June 24, 2010, the County of Westchester ("County") entered into Agreement No. 10-923 (the "Agreement") with Stearns & Wheler, LLC ("Consultant"), One Remington Park Drive, Cazenovia, New York 13035, commencing on July 1, 2010, wherein the Consultant was to provide engineering design services associated with the Total Residual Chlorine Reduction and Structural Repairs to the Chlorine Contact Tank at the Ossining Wastewater Treatment Plant, Ossining, New York. The Agreement was thereafter amended by Resolution approved July 28, 2011, to (1) change the name of the Consultant to GHD Consulting Engineers, LLC; and (2) provide for construction administration services in connection with the Total Residual Chlorine Reduction and Structural Repairs to the Chlorine Contact Tank at the Ossining Wastewater Treatment Plant.

The Department was notified by way of a letter dated January 14, 2014 that "GHD Consulting Engineers, LLC has reorganized in New York State to operate as GHD Consulting Services Inc." In this regard, it was requested in the aforesaid letter that the County consent to the assignment of Agreement No. 10-923 between GHD Consulting Engineers, LLC and the County, to GHD Consulting Services Inc. Therefore, GHD Consulting Services Inc. would assume all of the rights and obligations under Agreement No. 10-923.

The attached Resolution, if approved by your Honorable Board, would authorize the County to execute an agreement consenting to the assignment of Agreement No. 10-923 from GHD Consulting Engineers, LLC to GHD Consulting Services Inc. effective as of the date of execution of the assignment.

The objective of this assignment is in the County's best interest because it will provide for uninterrupted consulting services pursuant to Agreement No. 10-923 for the Department project contained therein.

The Department shall continue to track and monitor the progress of the Agreement.

Accordingly, your favorable action on the annexed Resolution is most respectfully urged and recommended.
