TO: Board of Acquisition and Contract

FROM: Jay T. Pisco, P.E.
Commissioner of Public Works and Transportation

DATE: April 1, 2014

SUBJECT: Resolution for Authority to Advertise
Contract No. 08-503
New Maintenance Building and Site Improvements
Lasdon Park
Somers, New York

The 2014 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to construct a new maintenance building including construction of an access road and new septic system. The project also includes installation of new electrical and telephone service along with the installation of a new potable water well.

In accordance with Local Law No. 1-1998, the Department of Public Works and Transportation has evaluated the needs of this project and determined that a Project Labor Agreement (PLA) will benefit and enhance the interests of the County in the timely and efficient completion of the project. The Contractor to whom this contract is awarded will be required to execute a PLA.

The objective of this contract is to provide an updated and centralized maintenance facility for Lasdon Park.

This contract is in the public's best interest because it will provide a new facility that meets all New York State and Health Department codes and standards.

The project will provide an environmental benefit by treating all storm water run-off in new rain gardens. Also included is the installation of LED lighting fixtures, thus addressing the County Executive's priority area: Health and the Environment (HE).

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
