Contract No. 14-201
Maintenance Service of Fan Coil Units
White Plains Complex
White Plains, New York

The 2014 Operating Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to perform testing, inspections and repair services for all fan coil units located at the Richard J. Daronco Courthouse, Courthouse Annex, Low-Rise Building, 85 Court Street, 143 Grand Street and 112 East Post Road in White Plains, New York. This contract is for a term of three (3) years with one two (2) year renewal at the discretion of the County.

The objective of this contract is to maintain fan coil units for continuous and uninterrupted operation.

This contract is in the public's best interest because it will promote the health and safety of the general public by maintaining heat and air conditioning systems within specified parameters.

The project will provide energy savings by maintaining fan coil units within operating specifications, thus addressing the County Executive's priority area: Health and the Environment (HE).

As expenditures are made pursuant to this authorization, detailed records will be kept in the County's on-line financial system. These records will be easily accessible by Finance, Budget and department staff and will be reviewed regularly to ensure that funds are used appropriately.
