SUBJECT: Resolution authorizing the purchase of a Business Auto Insurance Policy for the "Small Bus," and ParaTransit Fleets in the amount of \$418,351.00. This insurance is placed with the Selective Insurance Company of New York through the Spain Agency, 625 Rt. 6, Mahopac, New York for the period August 22, 2014 through August 22, 2015. Authority is also requested to pay premiums up to an additional \$40,000.00 which represents the funds that would be necessary to insure 10 "add on" vehicles at an average per unit cost of approx. \$4,000.00, bringing the total amount not to exceed to \$458,351.00 for the policy covering the combined fleets.

On August 8, 2013, your Honorable Board approved the purchase of Business Auto Insurance in the combined amount of \$484,119.00 for the "Small Bus," ParaTransit and Senior Programs & Services Fleets (collectively the "Fleet") for the policy period August 22, 2013 through August 22, 2014.

Although the purchase of insurance is exempt from the County procurement policy under Section 3(a)(v) of said policy, the Department of Law, Office of Risk Management, periodically (3-5 years, depending on market conditions) issues a Request for Proposals ("RFP") for Business Auto Insurance Coverage. The RFP for this insurance package was last issued in June, 2010.

Authority is now requested for the County of Westchester to purchase a Business Auto Insurance Policy for the Fleet from the Selective Insurance Company of New York through the Spain Agency, 625 Rt. 6, Mahopac, NY for the policy period August 22, 2014 through August 22, 2015 in the amount of \$458,351.00. Please note that this policy no longer includes a vehicle from Senior Programs and Services as that vehicle is no longer being utilized by that department.

The insurance package will provide \$11,000,000.00 of "first dollar" liability coverage, as well as physical damage coverage (subject to a \$2,000.00 deductible) for the 104 vehicles comprising the Fleet.

It is anticipated that new vehicles may be added to the fleet during the policy year. Accordingly, the policy shall be debited at the pro-rated per unit cost as vehicles are added (or

credited in the event that a vehicle is deleted). Therefore, consistent with prior years, in addition to the premium of \$418,351.00 to insure the fleet, authority is requested to add an additional \$40,000.00 to the total amount not to exceed for this insurance, which represents the funds that would be necessary to insure 10 “add on” vehicles at an average per unit cost of approximately \$4,000.00, bringing the total amount not to exceed \$458,351.00 for the Fleet.

The goals and objectives of this agreement are to provide insurance coverage for the Fleet. The goals and objectives are in the best interest of the County in terms of fiscal responsibility because the insurance coverage will protect County assets in the event of an accident, thus insuring public service continuity and reducing risk for all parties. Risk Management will track and monitor any reports of incidents and/or accidents occurring over the policy period and prepare a summary report at the end of the policy period identifying number of occurrences and corrective actions taken (as necessary) to prevent recurrence.

All other terms and conditions of the Business Auto Insurance policy shall remain the same as the expiring program.

Accordingly, your favorable action on the annexed Resolution is recommended.
