

Department of Emergency Services

Memorandum

42054

TO: Board of Acquisition and Contract

FROM: John M. Cullen
Commissioner of Emergency Services

DATE: September 3, 2014

SUBJECT: Resolution to amend the grant agreement with the New York State Division of Homeland Security and Emergency under the FY2012 Technical Rescue & Urban Search and Rescue Grant Program in order to extend the term of the agreement from August 31, 2014 through August 31, 2015

On July 11, 2013, your Honorable Board approved a resolution which authorized the County of Westchester ("County"), acting by and through its Department of Emergency Services ("Department"), to enter into a grant agreement with the New York State Division of Homeland Security and Emergency Services ("State") to accept a grant in the sum of \$75,555 to be used by the Department to purchase a mobile air compressor with extended draw bar and hose reel, 2 pavement breakers and related equipment, under the FY2012 Technical Rescue & Urban Search and Rescue Grant Program for the period April 22, 2013 through August 31, 2014. The State has notified the Department that it is extending the term of the agreement through August 31, 2015.

Authorization is now requested to amend the grant agreement with the State in order to extend the term of the agreement from August 31, 2014 through August 31, 2015. All other terms and conditions of the grant agreement shall remain the same and in full force and effect.

The goals and objectives of the grant agreement are to purchase a mobile air compressor and related equipment to enable the T Technical Rescue Team ("TRT") to respond more quickly to emergencies by eliminating the dependency on others to provide this equipment in a timely manner and also to enable the TRT to be proactive and ready for any emergency related to trench rescue or structural collapse. This grant agreement serves the public's best interest by enhancing emergency preparedness and response time, thereby preserving the health, safety and general welfare of County residents.

I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the "Grant Terms), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.

In view of the importance of this program, I recommend approval of the attached resolution.
