SUBJECT: Subcontractor Approval
Contract No. **12-546**
Renovations and Upgrades
Armory/Public Safety Academy
Valhalla Campus
Valhalla, New York

Contractor: MVM Construction LLC

Subcontractor(s): Atlantic Electric Inc. **(WBE)**

On September 4, 2014 your Honorable Board approved a resolution to award Contract No. 12-546 for Renovations and Upgrades, Armory/Public Safety Academy, Valhalla Campus, Valhalla, New York to MVM Construction LLC (“MVM”), 100 Oak Street, Mount Vernon, New York 10550. This resolution also approved MVM’s utilization of the following subcontractor: C. Williams Electrical Construction Inc. **(MBE/DBE)** (“C. Williams”), 464 South 10th Avenue, Mount Vernon, New York 10550 for the performance of electrical work on the project.

Subsequent to the approval of said resolution, MVM requested a change in the electrical subcontractor. MVM has demonstrated legitimate construction need for such a change as defined in General Municipal Law Section 101(5) since C. Williams was unwilling to perform the subcontract between MVM and C. Williams.

Therefore, MVM has requested the approval of Atlantic Electric Inc. **(WBE)** (“Atlantic”) to perform the electrical work in connection with the above referenced contract.

The proposed subcontractor, Atlantic, has been investigated and the Department of Public Works and Transportation recommends approval.

Resolution to accomplish the foregoing is attached.

This resolution has been reviewed by the Law Department.
