County Executive

Re: **Resolution authorizing the County of Westchester (“County”) to enter into an agreement with the County of Westchester Industrial Development Agency (“WIDA”) for a one (1) year period commencing January 1, 2015 wherein WIDA shall pay to the County an amount not to exceed \$817,214 for office space, personnel and support services provided by the County to WIDA**

WIDA was formed in 1976 to address the changing economic conditions in the County and region and to work towards maintaining the economic vitality of the County through the creation and retention of jobs. In the past, WIDA paid the County through an informal arrangement for office space, supplies, equipment and personnel provided by the County to WIDA. In order to comply with the Public Authorities Accountability Act, the informal arrangement was formalized under annual agreements between the County and WIDA for the years 2007 through 2014. The attached resolution would authorize the agreement with WIDA for the year 2015. WIDA shall reimburse the County for direct services from the Office of Economic Development including staff and operational costs and for the administrative services provided in accordance with Schedule “A” attached to the resolution.

The services provided pursuant to this Agreement will serve a public purpose by helping to expand the workforce base of Westchester County and providing crucial services for relocating and expanding businesses.

The goals and objectives of the Agreement are to solidify Westchester’s work force and to continue to expand Westchester’s tax base, keeping Westchester as a premiere location in which to live or work.

The goals and objectives are in the best interest of the County in terms of fiscal responsibility because the IDA is self-funded and provides services to grow the County’s tax base.

The goals and objectives of this agreement are tracked and monitored by the Westchester County Industrial Development Agency, the County administration, the Office of New York State Comptroller and the New York State Authorities Budget Office.

As the County is not procuring services, but instead providing them, this agreement is not subject to the Procurement Policy.

Based on the benefits provided to the County by WIDA, approval of the attached resolution is respectfully recommended.
