SUBJECT: Resolution authorizing the County of Westchester to enter into an agreement with The Sharing Community, Inc. 1) to operate a shelter for homeless single customers at a facility known as **Broadway Manor Residence**, located at 101 North Broadway, Yonkers, New York; and 2) to operate an emergency overnight center at a facility known as the **Broadway Manor Emergency Overnight Center** also located at 101 North Broadway, Yonkers, New York for the period January 1, 2015 through December 31, 2015 for an amount not to exceed \$790,811 to be paid monthly pursuant to an approved budget and subject to appropriation.

The County of Westchester requests authorization to enter into an agreement with The Sharing Community, Inc. 1) to operate a shelter for homeless single customers at a facility known as **Broadway Manor Residence**, located at 101 North Broadway, Yonkers, New York; and 2) to operate an emergency overnight center at a facility known as the **Broadway Manor Emergency Overnight Center** also located at 101 North Broadway, Yonkers, New York for the period January 1, 2015 through December 31, 2015 for an amount not to exceed \$790,811 to be paid monthly pursuant to an approved budget and subject to appropriation.

The **public purpose** of the proposed agreement is to ensure the health and safety of eligible homeless, single population of Westchester County by assisting them to transition from homelessness to economic independence and self-sufficiency through the provision of immediate transitional shelter and supportive services.

The **goals and objectives** of the program are to provide transitional shelter to eligible homeless, single customers. The Broadway Manor program also provides 24 hours on-site

supervision, meals, counseling and supportive services which include assistance in finding permanent housing, linkages to outside agencies for job training, drug/alcohol programs, medical treatment, education and life skills.

The goals and objectives of this program are in **the best interests of the County in terms of public health and public safety** as they are aimed at ensuring the health and safety of the targeted population by providing immediate transitional housing and onsite supervision.

The goals and objectives are in the County's **best interests in terms of fiscal responsibility** as the services provided assist the targeted population in finding permanent housing, which is less costly than transitional housing. Additionally, these shelter residents have access to employment services to support them in securing employment which enables them to move toward economic independence.

The goals and objectives will be tracked and monitored through performance measurement indicators developed by the Department. The tracking and monitoring tools include the submission of monthly statistics and quarterly reports as well as direct contact with the Department's staff in order to swiftly address any impediments to the program's success.

This contract is exempt from the Westchester County Procurement Policy under Section 3(a) (xiv). This program is exempt from the Federal Common Grant Rule as there is no federal funding for this program.

Accordingly, the County of Westchester is hereby requesting permission to enter into an agreement with The Sharing Community, Inc. for the above said purpose.

An appropriate resolution is attached for your Honorable Board's approval.
