**SUBJECT:** Resolution for Authority to Advertise  
Contract No. 15-533  
Replacement of Boilers at the Terminal Building  
Westchester County Airport  
Towns of Harrison and North Castle and Village of Rye Brook, New York

The 2015 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to install new gas fired boilers at the Terminal Building.

The objective of this contract is to replace the obsolete oil fired boilers at the Terminal Building.

This contract is in the public's best interest because it will promote the health and safety of the general public by utilizing high efficiency gas fired boilers while providing an energy savings by reducing energy consumption, thus addressing the County Executive's priority area: Fiscal Responsibility (FR).

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

Payment for this entire contract will be made from the Airport Special Revenue Fund, not the County General Fund and will not impact the County tax levy.
