TO: Board of Acquisition and Contract

FROM: Jay T. Pisco, P.E.
Commissioner of Public Works and Transportation

DATE: June 2, 2015

SUBJECT: Resolution for Authority to Advertise
Contract No. **WCA 15005**
Glycol Removal and Transport
Westchester County Airport
Towns of Harrison and North Castle and Village of Rye Brook, New York

Attached for your consideration is a Resolution which, if approved by your Honorable Board, would authorize the Department of Public Works and Transportation to solicit bids by public advertisement for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for the removal of glycol contaminated water from the de-icing operations at the Westchester County Airport. This contract is for a term of three (3) years with one two (2) year renewal at the discretion of the County.

The services to be performed will benefit the general health and safety of the traveling public by removing glycol contaminated water from the Airport to a sanitary sewer location and protecting the watershed. The main goal of this contract will be for the contractor to respond to the Airport as needed to pump material from containment areas and remove the product to the sanitary sewer location.

The Airport Environmental Office will oversee this contract, and no payments will be made to the contractor without a signed receipt and manifest.

Payment for this contract will be made from the Airport Special Revenue Fund, not the County General Fund and will not impact the County tax levy.
