Contract No. 14-511
Miscellaneous Roadway Improvements
North Broadway (C.R. #87) and Virginia Road (C.R. #51)
Broadway from Main Street to Virginia Road, Virginia Road to Washington's Headquarters
City of White Plains and Town of North Castle, New York

On May 13, 2015, three (03) bids were received and opened for Contract No. 14-511 for Miscellaneous Roadway Improvements, North Broadway (C.R. #87) and Virginia Road (C.R. #51), Broadway from Main Street to Virginia Road, Virginia Road to Washington's Headquarters, City of White Plains and Town of North Castle, New York.

All bids exceeded the amount budgeted for this project. The department is reviewing the contract documents to reduce the overall scope of work in order to reduce costs.

Therefore, it is requested that all bids be rejected and re-advertised as Contract 14-511-Rev.

The objective of this contract is to seal and further protect the road surface of North Broadway while providing additional pedestrian road crossing amenities as well as resurfacing Virginia Road, thus addressing the County Executive's priority area: Safety and Security (SS).

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that North Broadway and Virginia Road meet current codes and standards as well as reducing the County's annual maintenance costs.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

This resolution has been reviewed by the Law Department.
