TO: Board of Acquisition and Contract
FROM: Jay T. Pisco, P.E.
Commissioner of Public Works and Transportation
DATE: June 23, 2015
SUBJECT: Authority to enter into an Agreement with the United States of America, acting by and through the Federal Aviation Administration (the "FAA"), to accept a grant for Capital Project Number A0079 – Airport Road Rehabilitation at the Westchester County Airport

Authority of your Honorable Board is requested for the County of Westchester, acting by and through the Department of Public Works and Transportation (the "County"), to enter into an Agreement with the United States of America, acting by and through the Federal Aviation Administration (the "FAA"), to accept a grant of up to a maximum of approximately \$119,700.00 for Capital Project Number A0079 – Airport Road Rehabilitation at the Westchester County Airport. This grant will be used to fund the design of improvements to Tower Road. The County will have to contribute a local share of approximately \$13,300.00 from the Airport Special Revenue Fund.

This Agreement will serve a public purpose by funding the rehabilitation of Tower Road, thus contributing to the state of good repair of Airport infrastructure.

The objective of this Agreement is to accept federal funding for a capital project that directly improves the safety of County residents and Airport users as well as continues best management practices. This is a project the County and its Airport would be responsible to fund directly were it not for the availability of federal grant funds. Acceptance of these funds will relieve the County and the Airport of substantial fiscal responsibility.

The County's Department of Public Works and Transportation will monitor and report the progress of this project using its own staff and staff from other County departments as appropriate, and will be responsible to invoice the FAA for timely reimbursement as the costs are incurred.

I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the "Grant Terms"), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.

Accordingly, I recommend your Honorable Board's approval of the annexed Resolution authorizing the County to enter into this grant agreement with the FAA.
