Re: **Resolution authorizing the County of Westchester to award and enter into a contract (Law #983) with Irede Process Servers, Inc. for the service of legal documents in all Family Court Proceedings, for an amount not to exceed \$161,541.00 per year for the period August 1, 2015 and terminating July 31, 2017, subject to appropriations**

By a Resolution approved on April 9, 2015, your Honorable Board authorized the County to solicit bids by public advertisement for service of legal documents in all Family Court Proceedings under a contract commencing August 1, 2015 and terminating on July 31, 2017. An advertisement appeared in the Journal News on June 3rd, June 4th, and June 5th, 2015. On June 17, 2015, three (3) bids were received and opened. The low bidder, Irede Process Servers, Inc. ("Irede"), met the bid specifications and its past experience has been investigated.

The public purpose, as well as the goal and objective of this contract, is to allow the Department of Law to carry out its statutory duties in connection with Family Court proceedings. For the year 2014, the County requested service over 4,000 times in connection with Family Court proceedings. Due to the large volume of work, this service is best handled through an outside vendor as the Law Department does not have sufficient staff to cover this work. In addition, since the volume of services required varies on a daily basis, it is more fiscally prudent for the County to contract with an outside vendor rather than creating additional in-house staff positions sufficient in number to handle peak volume periods. Process servers are, on occasion, also required to testify in court. By utilizing an outside vendor, the County avoids having to defend the actions of its own employees in court in connection with service of process. By having such a contract in place, the Law Department is able to carry out its statutory duties in the Family Court and protect the health, safety and welfare of the men, women and children who are protected by the County's actions in the Family Court. The performance of Irede under this contract will be monitored by the Law Department staff and staff of the Department of Social Services to ensure compliance with contract terms.

Accordingly, attached for your consideration is a Resolution which, if approved, would authorize the County to award and enter into a contract with Irede for the service of legal documents in all Family Court Proceedings for the period commencing August 1, 2015 and terminating July 31, 2017, at the rates set forth in the attached Resolution.
