Authority of your Honorable Board is requested for the County of Westchester, acting by and through the Department of Public Works and Transportation, to enter into an Agreement with the United States of America, acting by and through the FAA, to accept a grant of \$2,847,954.00 for Capital Project Number A050C - Security Enhancements - Replace Airport Perimeter Fencing and Security Gates – Construction, at the Westchester County Airport. This grant will be used to fund the replacement of the existing Perimeter Fencing and Security Gates at the Westchester County Airport. I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the "Grant Terms"), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.
