**DATE:** August 4, 2015

**SUBJECT:** Resolution to Reject Bids  
Contract No. 12-516  
Cellular Bulkhead Rehabilitation – Phase III  
Yonkers Joint Wastewater Treatment Plant  
Yonkers, New York

On July 22, 2015, two (2) bids were received and opened for Contract No. 12-516 for Cellular Bulkhead Rehabilitation – Phase III, Yonkers Joint Wastewater Treatment Plant, Yonkers, New York.

It has been determined by the Department of Environmental Facilities that bidding this project in conjunction with Cellular Bulkhead Rehabilitation – Phase IV would be more cost effective when bonding becomes available. Savings are anticipated in construction, construction administration and design services during construction. Authority to advertise the bid Cellular Bulkhead Rehabilitation - Phases III and IV will be sought from your Honorable Board after bonding authority for Phase IV has been received in the future.

Therefore, it is requested that the bids be rejected.

The objective of this contract is to allow the Department of Environmental Facilities to maintain its treatment plant systems and to ensure continuous and reliable processing of wastewater. Delaying this phase will not jeopardize that objective.

This resolution has been reviewed by the Law Department.
