SUBJECT: Resolution for Authority to Advertise
Contract No. 14-529
Rehabilitation of Administration Building – Phase II
Mamaroneck Wastewater Treatment Plant
Mamaroneck, New York

The 2015 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to perform interior and exterior building repairs including reconstruction and repair of masonry wall, stairways and platforms, and window replacement at the Administration Building at the Mamaroneck Wastewater Treatment Plant.

The objective of this contract is to repair structural elements and to maintain the weather tightness of the existing building.

This contract is in the public's best interest because it will extend the life of the existing structure, thus addressing the County Executive's priority area: Safety and Security (SS).

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
