The Westchester County Board of Legislators adopted Act No. 232-2015 on November 9, 2015, which authorized the County to purchase a one bedroom condominium located at 106 Nottingham Road, Unit No. B, Bedford Hills, in the Town of Bedford (the "Property") in an amount not to exceed \$232,306 from Capital Project BPL50, including settlement, rehabilitation, marketing and property management costs, and to grant and accept any property rights necessary in connection therewith, including the assignment to the County of a Contract of Sale for the Property, and to re-convey the Property to an eligible buyer, in order to create an affordable home ownership unit that Affirmatively Furthers Fair Housing ("AFFH") as set forth in 42 U.S.C. Section 5304(b)(2) and in accordance with the settlement of a lawsuit entitled United States of America ex rel. Anti-Discrimination Center of Metro New York, Inc. v. Westchester County, New York (the "Settlement Agreement") and the Westchester County Affordable Housing Plan Statement of Need adopted by Resolution No. 107-1992.

Your Honorable Board's authority is now requested to authorize the County to enter into any and all agreements necessary to purchase the Property from the current owner(s) of record in an amount not to exceed \$200,000, plus an additional \$6,000 in settlement costs to cover various costs including title insurance and real estate taxes and \$20,806 in carrying costs which include but are not limited to AFFH marketing, taxes, utilities, common charges, document review and consultant/property management fees for a total amount not to exceed \$226,806, and to grant and accept any property rights necessary in connection therewith including, but not limited to, the assignment to the County of a Contract of Sale for the Property from the Housing Action

The purchase and re-conveyance of the Property shall be by such deeds as approved by the County Attorney. By separate contract the Department of Public Works and Transportation will enter into an agreement in an amount not to exceed \$5,500 for rehabilitation of the Property. Upon acquisition of the Property the County will file a Declaration of Restrictive Covenants against the Property requiring that the Affordable AFFH Unit will be affordable to eligible households with incomes at or below 80% of the Westchester County Area Median Income ("AMI") for a period of affordability of not less than 50 years.

Pursuant to the Settlement Agreement, the County is required to ensure the development of 750 affordable AFFH units. In furtherance of these objectives, the County provides funding to assist in the development or rehabilitation of affordable AFFH housing units, including the Affordable AFFH Unit proposed herein. The proposed Affordable AFFH Unit will be located in a census block that conforms to Paragraph 7(a) of the Settlement Agreement.

The goal and objective of this purchase and re-conveyance is to carry out the County's obligations under the Settlement Agreement by ensuring the development of affordable AFFH Units in accordance within the terms of the Settlement Agreement. In addition, it will create home ownership opportunities for lower and moderate income individuals and families who may not otherwise be able to afford to purchase a home in Westchester County. The unit will be safe and secure. Department of Planning staff will monitor the Property to ensure compliance with the ongoing affordability requirements.

For all the foregoing reasons, I recommend that your Honorable Board approve the attached resolution authorizing the County to enter into any and all agreements necessary to purchase and re-convey 106 Nottingham Road, Unit No. B, Bedford Hills, in the Town of Bedford, New York to an eligible buyer to create an affordable home ownership unit that will Affirmatively Further Fair Housing.
