Section 5304(b)(2) and in accordance with the settlement of a lawsuit entitled United States of America ex rel. Anti-Discrimination Center of Metro New York, Inc. v. Westchester County, New York (the "Settlement Agreement") and the Westchester County Affordable Housing Plan Statement of Need adopted by Resolution No. 107-1992.

Your Honorable Board's authority is now requested to authorize the County to enter into any and all agreements necessary to purchase the Property from the current owner(s) of record in an amount not to exceed \$220,000, plus an additional amount not to exceed \$26,211 for settlement, marketing and property management costs, for a total amount not to exceed \$246,211, and to grant and accept any property rights necessary in furtherance thereof including , but not limited to, the assignment to the County of a Contract of Sale for the Property from the Housing Action Council, Inc., and to re-convey the Property to an eligible buyer, in order to create an affordable

AFFH home ownership unit (the “Affordable AFFH Unit”). The purchase and re-conveyance of the Property shall be by such deeds as approved by the County Attorney.

Pursuant to the Settlement Agreement, the County is required to ensure the development of 750 affordable AFFH units. In furtherance of these objectives, the County provides funding to assist in the development or rehabilitation of affordable AFFH housing units, including the Affordable AFFH Unit proposed herein. The proposed Affordable AFFH Unit will be located in a census block that conforms to Paragraph 7(a) of the Settlement Agreement.

After purchase, the County will file a Declaration of Restrictive Covenants against the Property requiring that the Affordable AFFH Unit established thereon will be affordable to households with incomes at or below 80% of the Westchester County Area Median Income (“AMI”), noting that the income limits are subject to change based on the median income levels at the time of initial occupancy, and subsequent occupancy, as established by the U.S. Department of Housing and Urban Development during the period of affordability of the Property which shall be not less than fifty (50) years. The eligible buyers will be selected pursuant to an approved Affirmative Fair Housing Marketing Plan.

The goal and objective of this purchase and re-conveyance is to carry out the County’s obligations under the Settlement Agreement by ensuring the development of affordable AFFH Units in accordance with the terms of the Settlement Agreement. In addition, it will create home ownership opportunities for lower and moderate income individuals and families who may not otherwise be able to afford to purchase a home in Westchester County. - Department of Planning staff will monitor the Property to ensure compliance with the ongoing affordability requirements.

For all the foregoing reasons, I recommend that your Honorable Board approve the attached resolution authorizing the County to enter into any and all agreements necessary to purchase and re-convey 208 Harris Road, Unit No. HA6, Bedford Hills, in the Town of Bedford, New York to an eligible buyer to create an affordable home ownership unit that will Affirmatively Further Fair Housing.
