

49900

TO: Board of Acquisition and Contract

FROM: Jay T. Pisco, P.E.
Commissioner of Public Works and Transportation

DATE: December 8, 2015

SUBJECT: Resolution for Authority to Advertise
Contract No. 14-500
Roadway and Drainage Improvements
Wilmot Road (C.R. #113)
From Old Wilmot Road (North) to Old Wilmot Road (South)
A Distance of 0.35 Miles
Town of Eastchester, New York

The 2015 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for repairs to roadway pavement as needed, and to mill and resurface 0.35 miles of roadway. The work also includes replacement of pavement markings and installation of new drainage structures, piping, and outfall, and associated new concrete curbing.

The objective of this contract is to repair, resurface and improve drainage of Wilmot Road, thus addressing the County Executive's priority area: Safety and Security (SS).

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that Wilmot Road meets current codes and standards as well as reducing the County's annual maintenance costs.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
