FROM: Kevin M. McGuire
Commissioner, Department of Social Services

SUBJECT: Authority to enter into an agreement with MAXIMUS Human Services, Inc., pursuant to which it will provide services to the County regarding obtaining Social Security benefits for various individuals, for an amount not-to-exceed \$500,000, for the period from April 1, 2016 through March 31, 2017, with the County having the sole option to extend the term of the agreement for up to three (3) one (1) year periods thereafter, on the same terms and conditions.

Authority is requested for the County of Westchester (the "County") to enter into an agreement with MAXIMUS Human Services, Inc. ("MAXIMUS"), pursuant to which MAXIMUS will provide services to the County regarding obtaining Social Security benefits for various individuals (the "Services"), for an amount not-to-exceed \$500,000, for the period from April 1, 2016 through March 31, 2017, with the County having the sole option to extend the term of the agreement for up to three (3) one (1) year periods thereafter, on the same terms and conditions.

On February 5, 2016, the County, acting by and through its Department of Social Services (the "Department"), issued a request for proposals that solicited proposals from vendors to provide the Services (the "RFP"). In response to the RFP, the Department received three (3) proposals. The Department had several individuals review these proposals and evaluate them based upon the evaluation criteria specified in the RFP. The result of this review and evaluation was that the proposal from MAXIMUS received the highest score and was, accordingly, ranked first. The Department conducted an analysis of the cost proposal from MAXIMUS and found that it is reasonable. Based on the Department's review of the proposal from MAXIMUS, the Department is satisfied that it is a responsible vendor for these services.

The proposed agreement will serve a public purpose by providing the County with the

Services, which will provide the opportunity for both the County and potentially-eligible individuals to reap the financial benefits associated with such individuals receiving the Social Security benefits to which they are entitled.

The goal and objective of the proposed agreement is to provide the opportunity for both the County and potentially-eligible individuals to reap the financial benefits associated with such individuals receiving the Social Security benefits to which they are entitled.

The goal and objective of the proposed agreement is in the best interests of the County in terms of fiscal responsibility, as the Services will provide the opportunity for both the County and potentially-eligible individuals to reap the financial benefits associated with such individuals receiving the Social Security benefits to which they are entitled.

The goal and objective of the proposed agreement will be tracked and monitored by the staff of the Department.

I respectfully recommend the adoption of the attached resolution.
