Re: Authority to enter into an affiliation agreement with Save Mor Drugs for laboratory/clinical education and instruction of students in the Pharmacy Technician Program at the Ossining Extension Center

Included in the programs offered by Westchester Community College (the "College") is a Pharmacy Technician Program. The College offers supervised laboratory/clinical education and instruction for matriculated Westchester Community College students who are pursuing a degree or certificate in this program in conjunction with various organizations. Attached is a resolution that would authorize the College to enter into an affiliation agreement with Save Mor Drugs for laboratory/clinical education and instruction of students in the Pharmacy Technician Program. The term of the agreement will be from September 20, 2016 through December 31, 2020.

There will be no cost to the College, but the parties will cross indemnify each other for their respective negligence.

I believe that it is in the best interest of the College to provide clinical education and instruction programs; and I therefore, recommend that you act favorably on the annexed proposed resolution.
