RE: Request for **Authority to Solicit Bids by Public Advertisement** for  
Contract No. EF-1607  
Internal Inspection and Cleaning of a Portion of  
The North Yonkers Trunk Sewer Section A  
North Yonkers Sewer District  
Village of Dobbs Ferry  
Westchester County, New York

The work to be performed under this Contract consists of furnishing labor and equipment required to perform an internal video and sonar inspection as well as a cleaning of a portion of the North Yonkers Trunk Sewer Section A in the Village of Dobbs Ferry. This contract is subject to appropriations.

The goal and/or objective of this contract is to provide an internal inspection of the referenced sewers to inspect for potential structural and/ or operational defects and problems that may exist with the sewer pipe and related appurtenances. The work will be performed as part of the self assessment provision of the Federal Capacity, Management, Operations, and Maintenance (CMOM) program. This contract is deemed to fulfill a public purpose as the services provided under this Contract promotes the public health and welfare by insuring proper operation of the County's Trunk Sewer System and the prevention and/or elimination of any sewage overflows. The response and work are monitored by representatives of the department throughout the contract to make sure all applicable regulations, safety precautions and codes regarding the protection of persons and property are adhered to and that a cost-effective project is the end product.
