

**52183**

DATE June 3, 2016

TO: Board of Acquisition and Contract

FROM: Edward Buroughs  
Commissioner of Planning

SUBJECT: Resolution authorizing the County of Westchester to enter into an intermunicipal agreement with the Town of North Salem in connection with the distribution of \$175,000 of the East of Hudson Water Quality Investment Program Fund, for which the County is custodian under the 1997 Watershed Memorandum of Agreement, in order to finance a portion of the eligible costs associated with purchase of a vacuum truck

Authority is being requested of your Honorable Board for the County of Westchester (the "County") to enter into an Intermunicipal Agreement (the "IMA") with the Town of North Salem (the "Town") in order to distribute funds of the East of Hudson Water Quality Investment Program Fund (the "EOH WQIP Fund"), for which the County serves as custodian under the New York City Watershed Memorandum of Agreement (the "Watershed MOA"), to finance a portion of the eligible costs associated with the purchase of a vacuum truck for use within the New York City Department of Environmental Protection ("NYC DEP") water supply watershed. The not-to-exceed amount of the IMA is \$175,000 (the "EOH Funds") and the term of the IMA will commence upon the execution of the IMA and terminate five (5) years thereafter.

The purpose of the Town's use of the EOH Funds is to assist in the funding of the purchase of a vacuum truck. The estimated total cost of the vacuum truck is \$223,800 of which up to \$175,000 will be funded through the EOH Funds.

On May 16, 2016, the County Board of Legislators (the "Board") pursuant to Act No. 2016-126, authorized the County to transfer the EOH Funds into a County Trust Account in order to finance a portion of the eligible costs associated with the approved vacuum truck purchase.

On May 16, 2016, the Board pursuant to Act No. 2016-127, authorized the County to enter into the IMA with the Town in order to distribute One Hundred Seventy Five Thousand (\$175,000) Dollars of the EOH WQIP Fund to fund a portion of the Town's costs associated with the purchase of a vacuum truck.

The IMA will serve a public purpose by protecting the environment by improving water quality within the NYC DEP water supply watershed. The goal and objective of the IMA is to protect the public health and provide a safer environment by improving water quality.

The Department of Planning will monitor the IMA by reviewing documentation provided by the Town.

I recommend approval of the attached resolution.
