NYSOCFS recently notified my office that it has authorized renewal, for an additional one (1) year, of the grant provided to the County under the NYSOCFS Grant Agreement, as amended. Accordingly, authority is respectfully requested for the County to amend the NYSOCFS Grant Agreement, as amended, in order to, (1) extend the termination date thereof from July 31, 2016 to July 31, 2017, and (2) increase the not-to-exceed amount thereof by an additional \$52,066.00, from an amount not-to-exceed \$322,048.00 to a new amount not-to-exceed \$374,114.00 (the “NYSOCFS Sixth Amendment”).

Except as specifically amended hereby, all terms and conditions of the NYSOCFS Grant Agreement, as amended, shall remain in full force and effect.

I certify that my department, a.) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the “Grant Terms”), b.) has reviewed the Grant Terms, c.) is aware of and understands all of the Grant Terms, and d.) can and will comply with all of the Grant Terms.

Authority is also respectfully requested for the County to amend the WIHD Agreement, as amended, in order to, (1) extend the termination date thereof from July 31, 2016 to July 31, 2017, and (2) increase the not-to-exceed amount thereof by an additional \$52,066.00, from an amount not-to-exceed \$322,048.00 to a new amount not-to-exceed \$374,114.00 (the “WIHD Sixth Amendment”).

Except as specifically amended hereby, all terms and conditions of the WIHD Agreement, as amended, shall remain in full force and effect.

The proposed amendments will serve a public purpose by providing the County with the funds and the services needed to facilitate operation of its Child Fatality Review Team, which reviews the death of any child who was provided services by the County's Department of Social Services and/or agencies under contract with Westchester County or whose death was the result of suspicious circumstances.

The goal and objective of the proposed amendments is to provide funding for, and thereby facilitate the operation of, the County's Child Fatality Review Team.

The goal and objective of the proposed amendments is in the best interests of the County in terms of fiscal responsibility and health and the environment, as the facilitation of the Child Fatality Review Team's operations will be paid for by non-County funds and WIHD will ensure that the Child Fatality Review Team fulfills its overall purpose of protecting the health and safety of children in the County.

The goal and objective of the proposed amendments will be tracked and monitored by the Westchester County Attorney's Office.

Authority to exempt the WIHD Sixth Amendment from the requirements of the Westchester County Procurement Policy, pursuant to Section 3(a)(xxi) thereof, has been submitted to your Honorable Board by a separate resolution of even date herewith.

I respectfully recommend adoption of the proposed resolution.
