SUBJECT: Resolution authorizing the County of Westchester to exempt an Agreement with the Child Care Council of Westchester, Inc. (“CCCW”) whereby CCCW will provide the services of a Subsidy Support Specialist who will help to identify and assist eligible families with successful navigation through the child care subsidy system for the period from February 1, 2016 through December 31, 2016 in an amount not to exceed \$60,000 pursuant to Section 3 (a) xxi of the Westchester County Procurement Policy.

We are requesting that authorization be given to the County of Westchester, acting by and through its Department of Social Services, to exempt an Agreement with the Child Care Council of Westchester, Inc. (“CCCW”) whereby CCCW will provide the services of a Subsidy Support Specialist who will help to identify and assist eligible families with successful navigation through the Child Care Subsidy System for the period from February 1, 2016 through December 31, 2016 in an amount not to exceed \$60,000 pursuant to Section 3 (a) xxi of the Westchester County Procurement Policy.

CCCW is the Child Care Resource and Referral agency for Westchester County pursuant to Title 5-B of the Social Services Law. CCCW is the only Westchester County based agency that is designed and staffed to conduct the required services. CCCW assists in making safe and affordable day care services available to low income families in the County of Westchester. CCCW has relationship with the day care providers in this County and has an established relationship with New York State Office of Children and Family Services (“NYS OCFS”). The CCCW has provided remarkable child care related services to the County for many years. CCCW has not received any sanctions as a result of major non-compliance with performance standards. In addition, CCCW has a long standing relationship with the County. Its familiarity with and knowledge of the child care system allows them to deliver the services pursuant to the

proposed agreement. This knowledge allows CCCW to provide the public with all the necessary tools they need in taking advantage of the existing child care subsidy support system.

Therefore, pursuant to Section 3(a) xxi, the Westchester County Procurement Policy and Procedures are not applicable to any procurement for which this Honorable Board determines, by resolution passed prior to commencing such procurement, that compliance with the Policy would not be in the best interests of the County.

Accordingly, a resolution to exempt this procurement is hereby submitted for your Honorable Board's consideration. A separate resolution has been submitted requesting authority to enter into this agreement.
